

Classroom Calendars

Need help keeping your kindergarteners organized? This calendar will teach your students responsibility and help them be prepared for classroom activities throughout the month!

By using picture clues, students can easily see when classroom events are coming up. *For example*, students can see when to wear sneakers for P.E. and when library books are due. We include birthdays, field trips, and holidays on our classroom calendar. Save the calendar template and simply edit the dates each month. **I have noticed an increase in student responsibility since I began using these calendars!**
